## [Clifton's Harley Ride For Breast Cancer](#)

By [The Editors](#) May 29th, 2008.

Carlsbad's [David Clifton](#), 62, left this morning from [VG Donut & Bakery](#) in Cardiff to ride his motorcycle for three months to raise money for the [Susan G. Komen For the Cure Foundation](#). We've never figured out how this stuff really works, but apparently, just saying you're going to do something silly, like ride a motorcycle aimlessly around the county all summer, is enough to get people to donate money.

I've been thinking about making the trip for a zillion years," David Clifton said. "And I'm hoping this is a unique enough deal that it will raise awareness for all women . . . If one lady goes to get an exam, that's all I would need. I'd like to help find the cure sooner, quicker, faster."

Clifton says that by showing up places he's going to be doing great work for to find a cure. Guess it's better than cruising the country for Satan. We wish David lots of luck. [Click here to make a donation.](#)

## What Do You Think?

Time Warner Cable is:

- All good. I couldn't be happier.
- Fine as long as you don't need on demand.
- Terrible, but it's my only choice
- So bad I switched to Dish/Direct TV/AT&.
