

Mrs. Hickman helping in cooking club, November 2004

Geraldine Hickman

1953-2005

Shortly before this yearbook went to print, we were saddened by the death of Mrs. Geri Hickman on April 9. For eight years, Mrs. Hickman taught Cooking & Nutrition classes in the Middle School until her fight with cancer prevented her from coming to school last February. Not only was Mrs. Hickman a teacher in our school, she was also a parent whose two children, J.R. and Alexis, both graduated from SAS. In a community that changes so frequently, Mrs. Hickman was a respected, long-time player. She will be missed by all of us.
