

Dear Mr. Hickman and family,

The SAS middle school student council chose by an overwhelming vote to donate their extra funds to the Singapore Breast Cancer Society. One-thousand dollars was donated to the organization in memorial of Mrs. Geraldine Hickman. This is a true testimony to the many ways in which she touched the lives of her students. She was loved and respected by her students and colleagues. Although she will be greatly missed, her courage, grace, and kindness will remain as an inspiration to all. Your family will remain in all of our prayers.

Sincerely,

SAS Middle School Student Council
